

Controllers

Specifically designed for Hunter ceiling fans, these remote & wall controls will suit all applications. Specifically matched speed capacitors ensure your Hunter ceiling fan spins at the optimum speed, maximising air movement, minimising energy consumption.

24750

- RF remote control
- NEW 'Speedboat' model
- 3 speed fan control
- Light dimming
- Plug connections for quick DIY installation
- **NB: Light dimming cannot be used with CFL globes**

24756

- RF remote control
- LCD display
- 3 speed fan control
- Light dimming
- Low battery indicator
- Plug connections for quick DIY installation
- **NB: Light dimming cannot be used with CFL globes**

24757

- US style
